## Special Sale of Ladies' Tailor Made Suits

We herewith beg to notify the ladies of San  
Angelo and vicinity that we started last  
Monday morning, the 3rd of this month

## The Most Interesting Sale of Ladies' Tailor Made Suits

which we have ever had. The entire offering consists of  
this season's production, not one single old suit in the  
bunch. They are mostly goods which were delivered to  
us within the last two or three weeks, partly late deliv-  
eries of our manufacturers, who could not get the piece  
goods earlier in the season from the mills, partly recent  
purchases of new models, which have come out since the  
season started. Every single garment as we pointed out  
before, is strictly a new creation, they are made by the  
best tailors of New York City and Cleveland, Ohio, and  
each and every one of them is strictly up to the high  
standard which we have set for our Ladies' Ready to  
Wear goods. We have a splendid assortment of styles  
and a large variety of different grades of material to  
select from, and we shall fit and alter every suit sold  
free of charge, just the same as if sold at regular figures.

### Prices are as follows:

\$30.00 suits, placed on sale at	\$24.00
25.00 suits, placed on sale at	20.00
20.50 suits, placed on sale at	16.00
16.00 and 17.50 suits on sale	14.50
15.00 suits, placed on sale at	12.00
12.50 suits, placed on sale at	10.00

The winter season has just begun. A lady buying a  
suit now will get the full good of her purchase and at the  
figures we are quoting them now they are a great deal  
cheaper than you could buy the material, etc and get  
one made, not figuring at all the superior workmanship  
and the graceful tailoring, which only an experienced  
and first class tailor can give to a garment.

## GAUTHORN AND RALSTON MURDERED AT DEL RIO

Well Known San Angelo and Del Rio Sheepmen Victims of  
Blood-thirsty Fiend.--Waylaid Separately and Shot  
to Death.--Bodies Recovered.

## ROBBERY WAS THE DASTARDLY INTENT

Ralston Killed, Then Gauthorn Last Friday Evening.—Sibley, the Murderer,  
Killed While Resisting Arrest by Sheriff Saturday.—Tried to Beat Cau-  
thorn Out of \$4,000 and Ralston Out of Sheep.

Blake M. Gauthorn, a prom-  
inent young sheepman, a son-in-  
law of J. R. Hamilton of this city  
and a former resident of San An-  
geles, was waylaid and murdered  
about four miles north of Del Rio,  
between the Sonora and Devil's  
River roads, Friday afternoon by  
a man whose name is alleged to  
be Ed Putnam, alias A. R. Sibley,  
a stranger to Val Verde county.  
Gauthorn's body was discov-  
ered Friday evening in his ranch  
buggy among some bushes by two  
sons of J. W. Ralston, another  
sheepman, in search at the time  
for their father who had been  
missing several days. A bullet  
which passed through the back of  
the buggy had entered Gauthorn's  
body in the lower part of the  
back, death probably resulting  
shortly.

Del Rio officers and state rang-  
ers at Del Rio were at once notifi-  
ed and fearing, on account of  
the prolonged absence of Ralston  
that he too had been murdered,  
possession under Sheriff John Rob-  
ertson and rangers began scour-  
ing the country. The whole hein-  
ous affair was mysterious.

J. R. Hamilton, of San Angelo,  
a partner in the sheep business  
with Gauthorn, received a tele-

gram from his son, Hal Hamilton,  
at Del Rio, Saturday morning  
announcing the killing. Mr. and  
Mrs. Hamilton left on the first  
train for Del Rio. No particulars  
were given in the communication.

### CAUSE OF THE KILLING.

That the killing was done for  
no other reason than robbery is a  
conceded fact, and is plainly com-  
prehensible. A special to the San  
Antonio Express Saturday gives  
the following:

"A stranger came to Del Rio  
several days ago and went to Ral-  
ston's ranch and bought from the  
latter a herd of sheep. Ralston  
got into his buggy to come to  
town to complete the sale. The  
purchaser came to town alone. He  
then went to Gauthorn and bar-  
gained to sell the sheep to him.  
He received Gauthorn's check for  
about \$4,000. Yesterday morn-  
ing Gauthorn went out to receive  
the sheep. When he arrived at  
camp the sons of Mr. Ralston re-  
fused to deliver the sheep, as they  
had an interest in them and had  
received no money on account of  
the interest.

"Gauthorn was surprised that  
the sheep had not been paid for,  
and started back to town to inves-  
tigate the matter. That was the  
last seen of him alive. Examina-  
tion of his body showed that the  
bullet had passed through the  
back of the buggy seat into the  
body above the hip on the right

## Have You Been Asking Yourself Questions?

Have you been saying over to yourself—"What  
shall it be?" Day after day hundreds of people  
ask themselves that question and day after day  
it goes unanswered. No amount of at-home imag-  
inations will recall to mind even a small portion  
of the articles that enter into the consideration  
and until you have seen OUR stock you will  
fall far short of knowing the pleasure of choos-  
ing from heaped up values.

## Our Stock Answers All Questions

A visit here will reveal suitables to make choos-  
ing easy for you, and though Christmas is still  
three weeks away it's a pleasurable time to shop  
—no crowds, ample time, and the stock without  
a dent in it.
